HARMONIC SIGNATURE

ABOUT US

IMAGICA – A new line of water based with the unique pigments descended from Italy, being marked with the high luxury, the color innovation, creation, as well as arts from Italian artists. This harmonious color is different among general ones owing to the ability to draw patterns and textures, which has delighted architects, interior designers, contractors, and home owners. **IMAGICA** provides Turn Key service

IMAGICA comprises of colors with different patterns and textures depending upon the collections and creation techniques. The attributes of colors are based on types which can be applicable for both interior and exterior paints, as well as identifiable to the requirements. The colors are environment-friendly and harmless to inhabitants.
